Carbide T&G

A cross-section diagram of a Carbide T&G profile. It features a simple, rectangular tongue on the left side and a corresponding rectangular groove on the right side. The wood grain is represented by wavy lines.

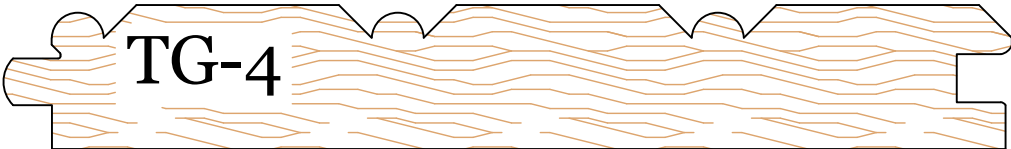

TG-1

A cross-section diagram of a TG-1 profile. It has a rounded tongue on the left and a rounded groove on the right. The wood grain is represented by wavy lines.

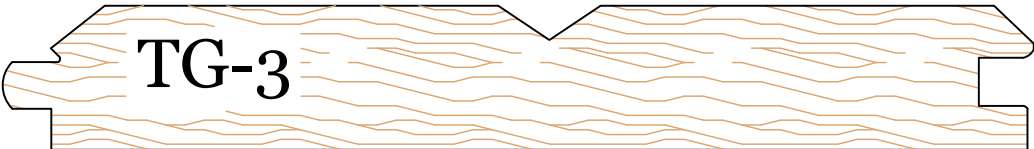

TG-2

A cross-section diagram of a TG-2 profile. It features a tongue on the left with a small notch and a groove on the right with a small notch. The wood grain is represented by wavy lines.

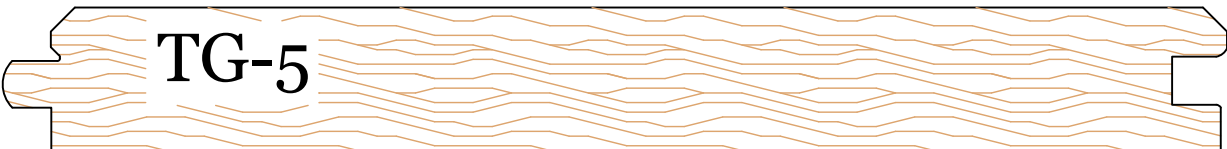

TG-4

A cross-section diagram of a TG-4 profile. It has a tongue on the left with a small notch and a groove on the right with a small notch. The wood grain is represented by wavy lines.

TG-3

A cross-section diagram of a TG-3 profile. It features a tongue on the left with a small notch and a groove on the right with a small notch. The wood grain is represented by wavy lines.

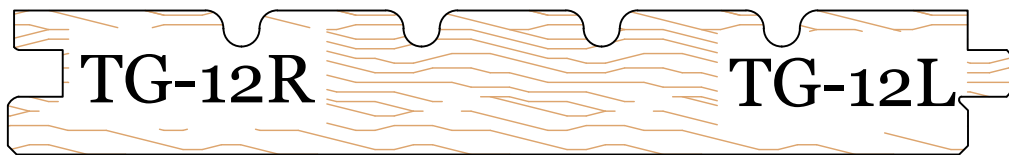

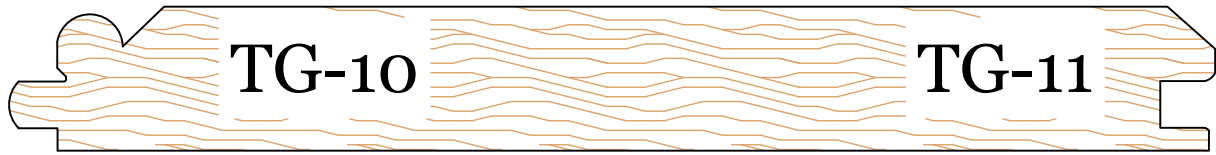

TG-5

A cross-section diagram of a TG-5 profile. It has a tongue on the left with a small notch and a groove on the right with a small notch. The wood grain is represented by wavy lines.
